BOARD OF EDUCATION GOALS

HARPER CREEK COMMUNITY SCHOOLS

STUDENT ACHIEVEMENT & EQUITY

Achievement scores and growth will be at or above state average in all content areas.

SUCCESS MODEL

CORE OUTCOMES AND BEHAVIORS

- Meets proficiency standards in each of the core curriculum content areas
- Meets proficiency standards in non-core classes
- Demonstrates personal management: attendance, behavior, class work and participation, study skills, contributions to school and community
- Works collaboratively with others to solve problems and produce work
- Demonstrates critical and creative thinking and action
- Demonstrates career and/or college readiness including soft-skills and technology skills
- Participates in extra-curricular and community based activities
- Will set goals and plan for successful participation in society upon graduation

SAFE AND NURTURING ENVIRONMENT

Harper Creek Community Schools will provide a safe and nurturing environment to ensure optimum learning.

STUDENT/PARENT/COMMUNITY PARTNERSHIP

The District will continue to be the "Cornerstone of the Community". Our community will have the opportunity for participation and involvement in the education process. The District will provide a wide variety of options for parent and community involvement. The District will emphasize the importance of student involvement in curricular and extracurricular activities, participation of parents in their student's learning and an open relationship with the community

PARTNERSHIP MODEL

SCHOOL, PARENT AND COMMUNITY RESOURCES COLLABORATE TO PROVIDE THE FOLLOWING:

- Supporters of their student's learning and development
- Encouragers of an achievement identity, a positive self-image, and a "can do" spirit in their student
- Monitors of their student's time, behavior, boundaries and resources
- Models of lifelong learning and enthusiasm for education
- Advocates/Activists for improved learning opportunities for their student and at their schools
- Decision-makers/choosers of educational options for their student, the school, and community
- Collaborators with school staff and members of the community on issues of school improvement and reform

TALENT RECRUITMENT & DEVELOPMENT

Harper Creek Community Schools is committed to employing excellent people through recruiting quality candidates and developing current and future staff through ongoing professional development. Professional Learning Communities will be used as the vehicle for continued school improvement.

FINANCIAL HEALTH

Harper Creek Community Schools is committed to ensuring the long-term success of the district through sound financial management.
