

Distinguished Alumni Award

Nomination Information & Form

Background

Harper Creek Community Schools has been graduating students since 1960 and we are proud of our alumni. Many of our alumni have expanded upon their K-12 education and developed into outstanding leaders in their field and in their communities. It is our privilege to honor these positive role models to show our current students the value of a rigorous educational foundation.

The Nomination and Selection Process

The purpose of this form is to nominate a Harper Creek graduate who has graduated at least 20 years earlier and who has distinguished him/herself through outstanding leadership, character, integrity, and service to his/her field and/or community.

The nominee must demonstrate the above qualities listed that will inspire the students of Harper Creek Community Schools in their pursuit of excellence.

The nominee may be living or deceased.

Nominations are accepted September through December 31st and will be considered for the current school year. Nomination packages will be kept for two years from year of submission. The distinguished alumnus will be recognized during the graduation ceremony in June and is expected to give a no longer than ten minute commencement speech. In the event that two distinguished alumni are recognized, only one person will be asked to give the commencement speech. The distinguished alumnus will also be recognized at a community reception the same day as graduation.

Applications should be submitted to:

The Nomination Review Process

All nomination packages submitted will be reviewed by the seven person Distinguished Alumni Selection Committee that is comprised of members of the Harper Creek Board of Education, faculty and the community. This committee will make their final selection(s) no later than the end of February each year with the awardee(s) notified at that time.

The more thorough the information provided to the selection committee, the more likely the person will be considered to receive the distinguished alumni award.
