

# HARPER CREEK COMMUNITY SCHOOLS

[www.harpercreek.net](http://www.harpercreek.net)

The Calhoun County Public Health Department notified our district on January 4, 2021 of four School Associated Cases of COVID-19. A “School Associated Case” means a probable or confirmed case of COVID-19 amongst students, teachers, staff members, coaches, volunteers, or any other person who was present on school property, or at a school function under circumstances that may result in the transmission or contraction of COVID-19 during the infectious period.

Persons who have been identified as close contacts to these School Associated Cases have been or will be informed directly by the Calhoun County Public Health Department or the school district. If you have not received communication from the health department or school district, **you are not impacted**. No further action is required and you do not need to contact the school.

This public notice is being provided in accordance with MDHHS Emergency Order Under MCL 333.2253 – [Reporting of Confirmed and Probable Cases of COVID-19 at Schools](#). Since October 12, 2020, the district has been notified of 82 **School Associated Cases**.

Sincerely,

Rob Ridgeway  
Superintendent
