

Hi this is Rob Ridgeway, Supt at Harper Creek Community Schools

The Board of Education made its formal decision on the 2020-21 learning plan on Monday, August 10, 2020. The formal decision includes the following modes of instruction:

Kindergarten – Grade 4

5 days a week; all day

Grades 5 – 12

Hybrid Model; two days in the classroom; 3 days distance learning

100% Virtual Option

Available for all students K- 12

Most of you have already made selections for instructional modes for your children, but if you have not yet done so, or if changes need to be made, please contact the office of the school your child(ren) attend.

We appreciate the thoughtful comments and insight shared with us in building this plan. We pledge to implement this plan to the utmost of our ability. I have every confidence that students, families, teachers, and staff will come together to make this a safe and positive experience for all.

The Board of Education Presentation and specific building visuals are posted on our website and is included in the email connected to this callout

Have a great day!

Rob Ridgeway
